Bert Lumbreras is the City Manager for the City of San Marcos, Texas. He has almost 36 years of experience as a City Manager or an Assistant City Manager.

Bert began his career as City Manager in the City of Dilley. Following this, he was City Manager of Floresville, Alamo, and Uvalde, Texas. In 1997, Bert went on to become an Assistant City Manager in Waco, where he served for almost 10 years. In August 2006, he became an Assistant City Manager for the City of Austin and began his current position as City Manager of San Marcos in August 2017.

Bert is very active within various professional organizations and was elected to the Texas Municipal League Intergovernmental Risk Pool for a six-year term beginning Oct. 1, 2018. He also served as the Mountain Plains Vice President for the International City/County Management Association from 2015-2018, on the Board of Directors of the Texas City Management Association from 2010-2014, and was President 2012-2013. Bert has also participated on numerous ICMA and TCMA committees throughout his career in city government. He is a member of the International Hispanic Network and numerous community and civic organizations.

Bert has a bachelor's degree in political science, with a concentration in public administration, and a minor in geography and urban planning from Southwest Texas State University.

Bert is married to his wife of 34 years, Elvia, a former Elementary teacher and lifelong educator. They have three children and three grandchildren.
