20	Keep free-roaming cats out of shelter						✓				N=8 Y=	1,3,5,6, 8,11

Instructions: Please provide your input for items 9-20 above in the white areas. Out of 9 assessment angles, they only came out ahead twice. The first question for items 9-20, is should they be stand-alone priorities/goals? If not, please indicate in the next column which item of 1-8 they can be included with or under as a strategy or objective. This will be a straight vote, so everyone's participation/response would be appreciated.

All Other Items Mentioned Throughout Activities 1-3 (in no particular order)	Include? Y/N	Stand-alone goal? Y/N	Association with top 20? Specify # from page 1	Association with top 20? Specify# from page 1	Association with top 20? Specify# from page 1
a. Robust volunteer program	N=1 Y=8	N=4 Y=5	13,14,19	5,12,19	3,13,16

p. Microchips	Y=9	N=8 Y=2	2,3,15,17	6,14,15,17,20	5,6,14,17
q. Analyze data to target strategies	N=2 Y=8	N=6 Y=1	3,4,12,16,18	4,5,10	1,10,11,13,14,16

Instructions: Please provide your input for items a-q by completing this table. These items did not come out ahead to initially be included on page 1 above. Working left to right, if you answer no to “include?” then you can stop and go to the next item. If you answer yes to being a stand-alone, then you can stop and go to the next item. If you answered no to being a stand-alone, then use any/all of the next 3 columns to indicate which of items 1-20 on page 1 to which it should be associated. Please be sure to indicate yes or no for each item in the “include?” column. Any of those you entered “yes” or “y” then please be sure to also indicate a yes or no in the next column for “stand-alone.”
