2020 VISION

The San Marcos Parks and Recreation Department's Youth Services Division is thrilled to welcome 2020 and begin an exciting new year! After enjoying a short break for the holidays, our team has been hard at work preparing for all of the youth programs and events that are ahead. We didn't waste any time and began 2020 with Holiday Camp. A group of campers were able to engage in various games and activities such as Gaga Ball, painting, a visit to Children's Park, tree planting, and much more! As we look ahead, we are preparing for our after school programs hosted at Goodnight and Miller Middle Schools, the Best Friends For Life (BFFL) inclusion program, a trip to Galveston for the annual TRAPS conference, and our first Party in Your Park of the year. Stay tuned!

SAVE THE DATE

Goal: POST at Miller &
SLOEP at Goodnight
begin on February 18!
