

Fluffy Bubblegum Slime

SRP Slime Rodeo 2019 winner

Ingredients:

- 1 cup of Elmer's glue
- 1 cup of shaving cream (use half in the beginning than half at the end)
- A few squirts of liquid watercolor or food coloring
- 4-5 teaspoons of corn starch
- 5-6 teaspoons of Activator (mix 1 Tablespoon of Borax with 1 cup of hot water)

Directions:

1. Mix 1 cup of Elmer's glue with $\frac{1}{2}$ cup of shaving cream (Mix well)
2. Add 4 teaspoons of corn starch (makes slime harder) (Mix well)
3. Add color (the more you add the darker it gets) (Mix well)
4. Add Activator- use 1 teaspoon at a time- DO NOT POUR IN- the key is to add activator slowly and Mix very well
5. After 5 teaspoons of Activator-IT FEELS STICKY- time to add $\frac{1}{2}$ cup of shaving cream-Mix well
6. Yea!!! **Fluffy Slime!!!** Store in an airtight container.

If you want to make **STRETCHY SLIME** add 4 squirts of hand lotion
