SUMMER STEAM - ART

This week's STEAM activities are ALL ABOUT ART! Art is an activity or creation by people that has importance because of an attraction to the human senses. It has been said that people are driven to make art due to their inner creativity. Art comes in many forms, such as drawing, painting, sculpting, photography, performance art, dance, music, poetry, and more!

Visit the Met without leaving your house! Go on a virtual adventure with the Metropolitan Museum of Art and learn about various forms of art throughout history.
www.metmuseum.org/art/online-features/metkids/explore/

With just sidewalk chalk and painter's tape, discover how to create your own geometric chalk masterpiece.

diywithdevon.com/geometric-sidewalk-chalk-art-for-kids/

Love Disney? They have created a fun learn-to-draw video series that shows how to create your favorite Disney characters at home! Visit the Disney Parks YouTube page and search for the How-To Draw Series.

COMING UP

Next week will feature math! Share your artwork with us at
