Questions for the Fire Captain Promotional Examination will be taken only from the five sources listed above. Twenty (20) questions will be taken from each source. The examination format will be multiple choice.

The date of an examination for this rank has not been established. If an examination is given during the 365 days following this posting, the questions will come from these sources, unless this list is superseded by a new listing. Any new sources will be posted at least 90 days before the examination date.

A handwritten signature in blue ink, appearing to read "Linda Spacek", is written over a horizontal line.

Linda Spacek, Human Resources Director
