

BOBCATS GIVE BACK

SAN MARCOS • 2019

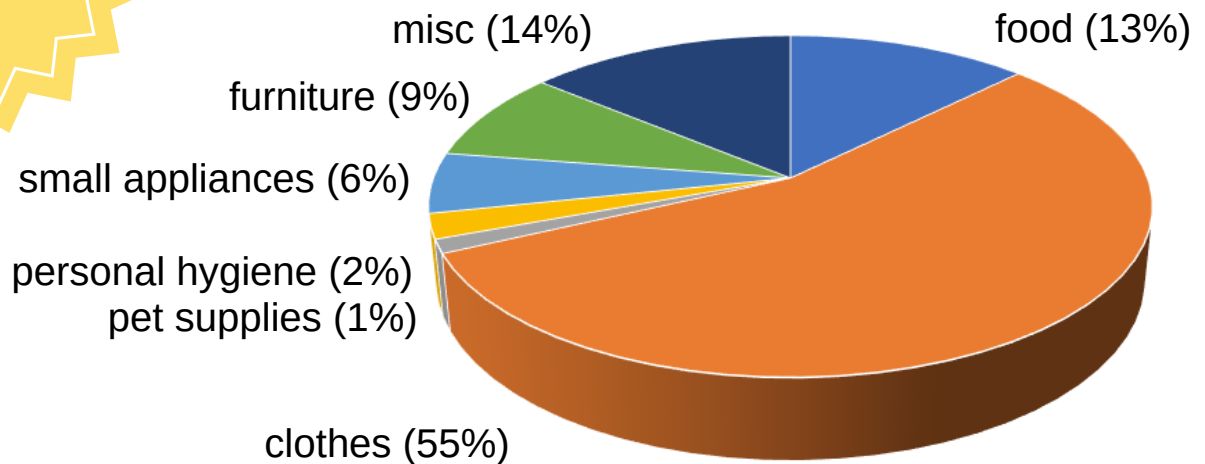

- In 2019, the Bobcats Give Back pilot program was launched by City of San Marcos in partnership with Texas State University.
- Donations were collected from July 8 to August 2 during student move-out.
- 13 multi-family complexes participated as donation sites. In addition, one residential site was manned by city staff.
- 9 local non-profits partnered to receive donations through the program.

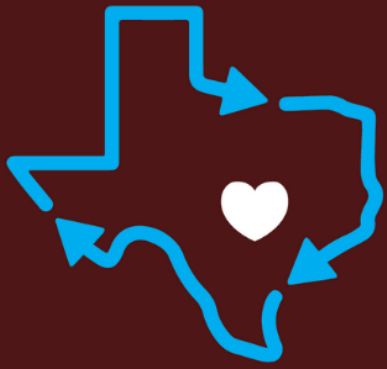

Bobcats Give Back is a sustainable move-out program focused on alleviating trash issues in our neighborhoods
