OUR STAFF FOR SAN MARCOS PARKS AND RECREATION DISCOVERY CAMP HAVE BEEN HARD AT WORK GETTING READY FOR THE 2018 SUMMER SEASON AS WELL AS PROVIDING CHILDCARE AND RECREATIONAL AND ACTIVITIES FOR OUR CAMPERS. THESE LADIES WORK HARD EACH WEEK TO NOT ONLY BRING ENTERTAINMENT TO YOUR CAMPERS BUT MAKE LEARNING FUN WITH EDUCATIONAL TOPICS AND ACTIVITIES TO MEET EACH WEEK'S THEMES AND OBJECTIVES.

READY. SET. GLOW. WEEK WAS FULL OF LEARNING AND FUN FOR OUR CAMPERS! DISCOVERY CAMP MADE TWO TRIPS TO THE DISCOVERY CENTER WHERE THEY LEARNED ABOUT BIOLUMINESCENCE. WHICH IS THE BIOCHEMICAL EMISSION OF LIGHT BY LIVING ORGANISMS SUCH AS FIREFLIES AND PLANKTON. AT BOTH CAMP AND THE DISCOVERY CENTER WE MADE GLOW PUDDY, FIREFLIES, AND MUCH MORE TO ENHANCE THIS GLOWING CONCEPT.

CAMPERS ALSO WERE VISITED ON FRIDAY BY JAN KLIEN WHO WORKS AT SAN MARCOS UTILITIES IN THE CONSERVATION DIVISON. JAN GAVE A PRESENTATION TO OUR CAMPERS ON HOW WE CAN HELP CONSERVE ENERGY EACH DAY. CAMPERS ALSO LEARNED ABOUT CIRCUITS TO BRING OUR GLOW WEEK TO LIFE

ALSO CAMPERS LIKE EACH WEEK TO FOLLOW HAD A BLAST COOLING OFF AT THE RIO VISTA POOL AND EATING KONA ICE SNOW CONES ON THURSDAY AND ENJOYED SOME TEAM BUILDING ACTIVITIES AND TALKED ABOUT TO BE A GOOD FRIEND WITH OUR GUEST SPEAKER ANDREA FROM HAYS CALDWELL COUNCIL, PREVENTION SERVICES ON TUESDAY.

LASTLY, BELOW YOU WILL FIND SOME PHOTOS OF OUR CAMPERS HAVING A WONDERFUL TIME AT THIS WEEK'S FIELD TRIP TO THE THINKERY.
