RIVER RAT WEEK

DISCOVERY MADE A TRIP TO THE TX PARKS AND WILDLIFE FISH HATCHERY. THEY WERE GIVEN A TOUR AROUND THE FACILITY AND THEN HAD A LOT OF FUN FEEDING SOME OF THE FISH BEING PROPAGATED AT THE FACILITY TO RE-STOCK OUR TX PARKS.

CAMPERS ALSO ON TUESDAY GOT TO HAVE A WALKING TOUR WITH THE CITY OF SAN MARCOS HABITAT CONSERVATION CREW. THEY WERE ABLE TO SEE AND LEARN ABOUT FENCED OFF AREAS ALONG SIDE OF THE RIVER BEING USED TO HELP CONTRAL THE EROSION OF THE SAN MARCOS RIVER BANKS AS WELL AS PROPAGATE NATIVE PLANT SPECIES BACK TO THE AREA.

ALL OF THIS FUN LEARNING WAS ENHANCED BY ACTIVITES ON CAMPUS. CAMPERS HAD THE OPPORTUNITY TO LEARN ABOUT THE LIFE CYCLE OF A FROG, FEEL INSIDE RIVER SENSORY BOXES, AND MUCH MORE!

ACTIVITIES THIS WEEK FROM OUR GUEST SPEAKER ANDREA FROM HAYS COUNTY CALDWELL INCLUDED, HEALTHY CHOICES JEOPARDY. CAMPERS PRACTICED CHOOSING THE HEALTHY AND SAFE CHOICE. FOR EXAMPLE: HEALTHY FOODS, WEARING SUNSCREEN, AND WEARING A SEATBELT.

LASTLY, CAMPERS ENJOYED COOLING OFF AT THE RIO VISTA POOL AND SPLASH PAD AFTER THE RAIN CAUSED US TO REPLACE OUR FISCHER PARK SPLASH PAD DAY FOR MOVIE MEALS AND INCREDIBLES 2.
