### **Community Development Block Grant Program to host Public Meetings**

This year the City will develop a new five-year plan for the expenditure of CDBG funds for program years 2010 (which begins October 1<sup>st</sup>) through 2014. This is a collaborative effort between City staff and the citizens of San Marcos. The input of our citizens is vital in establishing the needs of the community and prioritizing the way CDBG funds should be used.

The City is hosting four discussion sessions next week at the following times and each session will be held at City Hall, 630 East Hopkins.

**Wednesday, March 17<sup>th</sup>**  
**10:00 a.m. or 2:00 p.m.**

**Thursday, March 18<sup>th</sup>**  
**10:00 a.m. or 2:00 p.m.**

We would like to encourage you to attend a session to learn more about the CDBG program and to discuss the needs of our community.

For questions please call Janis Hendrix at 512.393.8147 or Robert Cain at 512.393.8248.
