

Monster Mask

Supplies Needed:

- *Six different pieces of construction paper or colored paper.
- *Paper Plate
- *Yarn
- *2 Popsicle Sticks
- *Glue Stick, Tape, Scissors, Markers

1. Start your mask by cutting out the shapes for the
*Mouth, *Ears, *Nose, *Little Horns,
*Big Horn, *Teeth

2. Next, get your paper plate and cut two holes for eyes. We made the eyes by starting the cut on the outside of the plate making it easier to cut the eyes on the interior of the plate.

3. Tape the 2 popsicle sticks in the shape of a V.

4. Turn the paper plate over and tape the slit that was made to cut the eyes.

5. Next tape the Ears, Big Horn, and the popsicle handle to the back of the paper plate.

6. Glue the Mouth, Nose, Small Horns, and Teeth anywhere you would like.

7. Color your Monster and glue on some hair.
OOOOOO!

Monster!
