

MINOR ALCOHOL DEFERRAL SANCTIONS

Community Service

You may perform your community service with any non-profit organization as long as the community service is related to the education of alcohol or prevention of misuse of alcohol. Some possible local providers for community service are:

1. Alcohol & Drug Resource Center at Texas State University – 700 Thomas Rivera Dr. - # 245-3601

Community Service from Fraternities and Sororities is not acceptable

Your proof of community service **must be on letterhead stationary from the organization**. The number of hours must be verified and the name, title, signature and phone number of the person supervising the work must be on your proof.

NOTE: YOU MUST MAKE CONTACT WITH AN ORGANIZATION IMMEDIATELY. IF YOU WAIT, YOU WILL NOT BE ABLE TO COMPLETE YOUR COMMUNITY SERVICE BY YOUR DEADLINE.

If you are required to complete eight hours of community service and you cannot complete the community service hours directly related to education about alcohol or prevention of misuse of alcohol, you may select a book or video from the resource list on the back of this page, or one with a similar topic. After viewing or reading your selection, you must complete an essay (minimum two pages) and complete eight hours of community service with any **non-profit** organization.

If you are required to complete more than eight hours of community service, you must request other options from the Judge.
